INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
AJ Muste Memorial Institute, Inc.
339 Lafayette Street
New York, NY 10012

We have audited the accompanying financial statements of AJ Muste Memorial, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by

management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AJ Muste Memorial Institute, Inc. as of June 30, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - ORGANIZATION AND DESCRIPTION OF OPERATIONS

A.J. Muste Memorial Institute, Inc was incorporated as a not-for-profit corporation under New York State law to provide nonviolence advocacy and education by giving financial aid to organizations which provide educational materials and organize workshops in non-violence dealing with disarmament, human rights and related issues.

Organization and Tax Status: A.J. Muste Memorial Institute, Inc was incorporated under the Not-For-Profit Corporation Law of New York State and was formed solely for charitable and educational purposes within the meaning of Section 501 C (3) of the Internal Revenue Code of 1954.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statements Presentation

The financial statements have been prepared on the accrual basis in accordance with generally accepted accounting principles accepted in the United States of America. They are presented in accordance with the provisions of Accounting Standards Codification 958, "Financial Statements of Not-For-Profit Organization". Under the provisions of Codification 958, net assets, revenues, expenses, gains & losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted Net Assets - Net assets that are not subject to donorimposed restrictions, but may be designated for specific purposes by the action of the Board of Directors or otherwise limited by contractual arrangements with outside parties.</u>

Temporarily Restricted Net Assets - Net assets subject to donor imposed restrictions that may be fulfilled either by actions of the Organization pursuant to those stipulations and/or the passage of time. When a restriction expires, temporarily restricted net assets are classified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets - Net assets subject to donor-imposed restrictions that the Organization maintains. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes.

Revenues are reported as increases in unrestricted net assets unless the use of the related assets is limited by donor imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Expiration of temporarily restrictions of net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has lapsed) are reported as reclassification between the applicable classes of net assets.

Cash and Cash Equivalents

For purpose of the Statement of Cash Flows, cash and cash equivalents are defined as demand deposits at banks and certificates of deposit with purchases maturities of less than ninety days.

Revenue Recognition

A Contribution is recognized when the donor makes a promise to give that is, in substance, unconditional. Grant revenue is recognized as earned, expenses as incurred. Contributions of assets other than cash are recorded at fair value at the date of donation. In accordance with the provision of Accounting Standards Codification 9598-608 Accounting for Contributions Received and Contributions Made", contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restriction expires in the fiscal year in which the contribution are recognized.

All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets, depending on the nature of the restriction are classified to unrestricted net assets.

Donated Facilities and Services

Contributions of donated non-cash assets are recorded at their fair market values in the period received. Donated services are recognized as contributions in accordance with the provision of Accounting Standards Codification 958-605, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. During the years June 30, 2013 and 2012 donated services were not recorded.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Costs are allocated between fund raising, management and general expense or the appropriate program based on evaluations of the related benefits and actual hours. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is exempt from federal and state taxes under 501 (c)(3) of the Internal Revenue Code, and the not-for-profit corporation laws of New York State, and is considered by the Internal Revenue Service to be an Organization other than a private foundation. The Organization adopted the Financial Standards Codification 740, Accounting for Uncertainty in Income Taxes. The standard addresses the accounting for uncertainties in income taxes recognized in an entity's financial statements and prescribes a threshold of "more likely than not" for recognition and nonrecognition of tax positions taken or expected to be taken in the tax returns. Financial Standards Codification 740 also provides related guidance on measurement, classification, interest and penalties, and disclosure. There was no material impact to the Organization's financial statements as a result of the adoption of Financial Standards Codification 740. The past three years remain open for examination by tax authorities (form 990).

Property and Equipment

Purchases of property & equipment are recorded at cost. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Property and equipment are depreciated using the straight-line method over the expected useful lives of the assets.

Fair Value of Financial Instruments

The Organization has adopted Accounting Standards Codification 825, fair Value Option for Financial Assets and Financial Liabilities - Including an Amendment of Accounting Standards Codification 320. A provision of Codification 825 permits an entity to measure financial instruments and certain other items at estimated fair value. Most of the provisions of Codification 825 are elective; however, the amendment to Accounting Standards Codification 320, Accounting for Certain Investments in Debt and Equity Securities, applies to all entities that own trading and available-for-sale securities, The fair value option created by Accounting Standards Codification 825 permits an entity to measure eligible items at fair value as of specified election dates. The fair value option (a) may generally be applied instrument by instrument, (b) is irrevocable unless a new election date occurs, and (c) must be applied to the entire instrument and not only a portion of the instrument. The Adoption of the Accounting Standards Codification 825 did not have a significant impact on the Organization's results of operations and financial condition.

The Organization's financial instruments consist principally of cash and cash equivalents, prepaid expenses, receivables, investments, other assets, accounts payable, and accrued expenses. The Organization believes all of the financial instruments' recorded values approximate fair value.

Recent Accounting Pronouncements - In August 2008, FASB issued Accounting Standards Codification 958, Endowments for Not-for-Profit Foundation: Net Asset Classification of Funds Subject to Enacted Version of the Uniform Prudent Management Institutional Funds Act and Enhanced Disclosures for All Endowment Funds. Accounting Standards Codification 958 responds to accounting questions raised by the model Uniform Prudent Management of Institutional Funds Act (UPMIFA) that was approved Uniform Law Commission to modernize the Management of Institutional Funds Act of 1972 (UMIFA) governing the investment and management of donor-restricted endowment funds by not-for-profit Foundation. Among UPMIFA's more significant changes is the elimination of UMIFA's concept historic dollar threshold, the amount below which a Foundation could not spend from the fund, in favor of a more set of guidelines about what constitutes prudent spending.

The provisions of Accounting Standards Codification 958 expand disclosures about the Foundation's endowment funds (both donor-restricted and board-designated). In addition, Accounting Standards Codification 958 requires that the portion of a donor-restricted endowment fund that is not classified as permanently restricted net asset be classified as temporarily restricted net assets until appropriated for expenditure. The Foundation has adopted the provisions under Accounting Standards Codification 958.

NOTE 3 - CASH AND CASH EQUIVALENTS

Cash and cash equivalents are considered to be all highly liquid debt instruments with a maturity date of 90 days or less from the date of purchase. As June 30, 2013 and 2012, these accounts consist primarily of cash in bank as follows:
